Sir,

Purchase of articles of furniture required for the Municipal High School, Hunsur

I have the honour to forward herewith a copy of my letter No D3 5052 of 45-46 dated 17/28-10-1946, addressed to the Secretary, Stores Purchase Committee on the above subject and a copy of the Secretary's letter No SPC 11560 dated 26th November 1946 received in reply stating that sanction of Government may be obtained for direct purchase from a Firm other than the approved contractor for this District. I request in the circumstances that sanction may kindly be accorded to the tender of the Coorg Industries for all the articles of furniture excepting the two almirahs for which orders have been placed already with Messrs Siddalingeswara Works early.

I have the honour to be,
Sir,

Purchase of articles of furniture required for the Municipal High School, Hunsur

--

I have the honour to state that the Secretary of the Municipal High school Committee, Hunsur called for quotations from Messrs The Coorg Industries and Saw Mills, Mysore and Sree Siddalingeswara Saw Mills, Madhavachar Road, Mysore for supply of certain articles of furniture required for the Municipal High School which has been recently sanctioned by Govt

The quotation received together with a comparative statement of Prices and the total cost involved are enclosed

Leaving ~~Leaving~~ out the reversible desks which are proposed to be prepared locally, the rates of Sree Siddalingeswara Saw Mills are generally higher for most of the articles, than those of the Coorg Firm The Secretary who has examined the articles personally states that they are of very inferior make and finish The articles of Coorg Firm on the other hand are reported to be not only of better quality and finish but also less costly The latter Firm is therefore strongly recommended for placing orders Two almirahs however are arranged to be purchased from Messrs Siddalingeswara Saw Mills at their quotation rates

I request in the circumstances that though Messrs the Siddalingeswara Saw Mills are the approved contractors of Govt for the District for the year, the recommendation of the Secretary to purchase the articles from the Coorg firm may be approved in the circumstances explained above In anticipation of approval, I have permitted the Secretary to ~~make~~ place orders with the firm to avoid delay and inconvenience
